The attached reference, "Goldberg and Mekalanos, 1985, J. Bacteriol. 165(3): 715-722," was cited in corresponding New Zealand Patent Application 528250 in an Examination Report dated January 25, 2006. It has come to the Applicant's attention that this reference was inadvertently not disclosed to the Office during the examination of the subject application. However, the reference was applied against a claim in the New Zealand application that was not under examination in the subject application.
